

About PJ Gaier

PJ Gaier was, among other things, a competitor, businessman, mentor, philanthropist and friend. PJ passed away in 2004 while training for a triathlon that benefited The Leukemia and Lymphoma Society. PJ alone raised more than \$10,500 to help find a cure. With this in mind, The PJ Gaier Memorial Golf Tournament strives to accomplish

three things. First and foremost, we will remember PJ and everything he stood for. Secondly, our goal is to raise at least \$30,000 for Connor's Heroes. Lastly, we want this to be a great networking opportunity for many businesses. Please explore our website (www.PJGolfTournament.com) to see how you can help and benefit from this unique event.

Your participation will support Connor's Heroes, Conquering Childhood Cancer

We are a 501(c)(3) non-profit organization made up of volunteers, parents of children with cancer, and other caring individuals and companies who want to conquer childhood cancer through direct assistance, awareness, and research. We hope to help others be heroes in the lives of children with cancer and their families. Currently,

we provide assistance to children and their families who are being treated for cancer in Richmond, Virginia at the Children's Medical Center of VCU Health System, including the ASK Pediatric Hematology/Oncology Clinic and the VCU Massey Cancer Center Bone Marrow Transplant Unit.
